Chair called for recommendation for commissioner. Claude Braswell recommended Rodney Leavitt, seconded by Kay Ence and approved by the members present.

The chair informed those present that the Utah Waterusers Association was holding a meeting on 8 & 9 of March and members of this association should attend.

Rick Hafen discussed the flow of water thru Pinto and indicated that about 200 CFS exited the Grass Valley tunnel last year and caused serious damage to Pinto users and indicated that there could be litigation to recover for damages if this was not controlled. The State Engineers office indicated that it was the responsibility of the commissioner but the State would be responsible to determine the allocation to New Castle.

Mr. Dale White, representing the Shivwits Band talked about the water usage and allocations on the stream. He indicated that they are interested in fair and just usage of water as per rights allocated. He indicated that there had been some discussion about bringing water from Beaver Dam wash to the Santa Clara river.

The Chair asked for comments about holding this meeting in the evening as this one was and it was decided that it would be in the evening again next year.
